

USA WRESTLING UTAH

2012 Spring USA Wrestling Utah Season February 24th – April 28th

This year, 2012 USA Wrestling Utah will be hosting two (2) tournaments per weekend when possible. The growth that the state is making is great and we want to continue this growth as it will definitely help our Utah National Teams become some of the best in the country!

Tournaments will be run with 4 man round robins separated by talent level when possible. All tournaments will use a staggered start format with Greco being Friday and Freestyle & Folkstyle on Saturday. The schedule will be as follows:

Friday – 5:30pm – 5:45pm – Coaches/Officials Meeting
6:00pm – 7:30pm - Fly, Bantam, Intermediate & Schoolboy
7:30pm – Conclusion – Novice, Cadet, Junior & Open
Saturday – 8:00am – 8:15am – Coaches/Officials Meeting
8:30am-11:00am – Fly, Bantam, Intermediate & Schoolboy
11:00am – Conclusion – Novice, Cadet, Junior & Open
(Freestyle will be run first and then Folkstyle)

Registration for each tournament will close at 4:30pm MST on Thursday night and weights will need to be entered between 5:30pm and 9pm Thursday night. Coaches of chartered clubs will be given a username and password by email so they can enter their athlete's weights. The same pricing structure will be used as last year, \$12 for one style, \$24 for two style and the third style free.

We want to encourage all clubs to become fully active clubs and participate as much as possible to help our state become a national power. **For your athletes to receive financial aid for National Teams you must be a fully active club!** To become a fully active club; 1. Your club must become a sanctioned club through USA Wrestling 2. Host at least 2 tables (1 table consists of the whole weekend) this season. 3. Help with Kids Nationals in some way. Mats delivered and picked up are the most important things to be done but there are many other things your club can help with to receive this credit such as table help etc. 4. Your club must have at least one member coach and one member official.

Clubs will receive \$25 of rebates for running a table on Friday and \$25 for Saturday. Table help consists of 3 officials or 2 people and one official (you must have at least one adult or 2 Juniors on table to get table help credit). Also you are responsible to make sure your table is running the **WHOLE** time.

Officials this year will again be able to earn points for each match they officiate. Those points will then be converted to financial rebates for National Teams travel. **Only officials with USA Official's Cards will be able to earn points. You must have your Official's Card before points will start counting!** Please inform and help your wrestlers be aware of this and how they earn points/money through officiating. There will be 3 signature spots per bout. You must be a novice or above to earn points through officiating.
